### **There's more!**

Your completed adventure dives can count towards the first dive of a related PADI Specialty programme. Learn more about the specialty areas that interest you most by completing a PADI Specialty programme in as few as one more dive.

One more dive for:

Boat Diver  
Drift Diver  
Dry Suit Diver  
Multilevel Diver  
Peak Performance Buoyancy  
Underwater Naturalist  
Enriched Air Diver

Two more dives for:

Night Diver  
Underwater Navigator

Three more dives for:

Deep Diver  
Search & Recovery Diver  
Wreck Diver

By completing five of the above specialties and the PADI Rescue Diver course, you achieve the **PADI Master Scuba Diver** certification. This is PADI's highest non-professional rating and denotes high levels of experience and achievement.
